Training for Medical education via innovative eTechnology /MediTec

January 14-18, 2019

Programme for Training in Brno

**Masaryk University, Faculty of Medicine, Center for Healthcare Quality, Brno,
Czech Republic**

DATE: Monday - Friday January 14th -18th 2019
VENUE: Masaryk University (3rd Floor, Department of Biophysics, A1) Kamenice 126/3, Brno.
START: 10 am Tuesday 15th January 2019.
END: 6 pm Thursday 17th January 2019.

Welcome dear Project partners

Please keep in mind, that MediTec project specific objectives are:

1. Identifying the Strengths, Weaknesses, Opportunities & Threats of the existing training programs, including academic and non-academic staff skills
2. Introducing and modernisation of the training curriculum, teaching material and exam methods as base for improved training program in Health Sciences

The Brno Workshop will be targeted on obtaining a broader insight of the above stated objectives and will rely on your expertise and experience in these areas.
